

\$2,500 SCHOLARSHIPS

Available to those Pursuing
AGRICULTURE DEGREES

The Minnesota Legislature passed a Workforce Development Initiative, as part of this initiative, \$2,500 scholarships are being awarded to students across the state pursuing in demand career areas.

Start your career in agriculture by attending one of Minnesota State Colleges and Universities.

- Students pursuing degrees in advanced manufacturing, agriculture, health care, information technology, early childhood education and transportation qualify for scholarships.
- Scholarships are available to students pursuing a 1 year or 2 year associate degree, diploma, or certificate program.
- A pilot program was launched in 2017 with scholarships being awarded for fall 2018.
- Nearly 400 Workforce Development Scholarships were awarded last year of \$2,500 each.
- The number of scholarships is expected to increase from 400 in FY 19 to 668 for FY20.
- Many industry leaders are stepping forward and making contributions to add incentive for students to attend college and enter these in demand career fields.

Scholarships are now available!! Go to
