ELECTRONIC FARM MANAGEMENT
ANALYSIS PROCESSING AGREEMENT

This agreement between Agricultural Records Cooperative, a Wisconsin Cooperative in Madison, Wisconsin (herein referred to as "A.R.C.") and _____ of _____, (herein referred to as the "School").

A.R.C. agrees to supply four copies of the following information: Table I Farm Inventories, Table II Cash Statement, Table III Enterprise Statement, Table IV Household Expense, Table V Net Worth, Table VI Farm Earnings, Operator Share, Table IX Crop Production, Table X Livestock Enterprises, Table XI Hogs, Table XII Dairy, Table XIII Other Dairy, Table XIV All Dairy and Dual Purpose, Table XV Beef, Table XVI Sheep and Table XVII Chickens.

Three copies of the following: Table VIII measures of Farm Organization and all summaries for the above mentioned tables.

It is understood these tables and source data sheets will be prepared in form and content, as agreed by the Project Coordinator, _____, the Program and Technical Advisor, _____, and A.R.C.

A.R.C. assumes the information for each farm to be complete when The data sheet for each farm is received at A.R.C.

A.R.C. will trim all reports to 8 1/2" by 11" and remove all carbons.

A.R.C. will furnish all paper for the completed tables and pay the shipping charges of the tables from A.R.C. to the School.

The School agrees to supply the shipping charges for the source data sheets from the School to A.R.C.

The School agrees to notify A.R.C. of the date when table eight and the summary tables can be processed for each farm participating. It is understood that any data sent to A.R.C. after this date will not be included in the summaries.

The School agrees to pay A.R.C. processing fees of _____ dollars per farm analysis processed.

It is understood that errors in completed reports due to inaccurate reporting of information to A.R.C. will be re-run for the additional charge of \$3 per farm. It is further understood that the errors resulting from inaccuracies in the processing center will be re-run at no additional charge.

It is understood that A.R.C. will not be responsible for errors resulting from inaccuracies or illegible entries supplied by the School on the source data sheets. The School agrees to pay all processing fees within 120 days of billing. A service charge will be assessed at the rate of 10 per cent per annum if payment is not made within 120 days of billing.

A.R.C. will not make this data available to parties other than the School unless expressly agreed to by the School.

This agreement covers the processing of the Farm Business Analysis as outlined in this agreement for the _____ at _____
